# Arabesk

Arabesk est une peinture décorative à base d'eau qui procure à vos intérieurs des **effets décoratifs nacrés et nuagés**.

## MODE D'EMPLOI :

1- Préparer vos murs\*

2- Appliquer une couche de COLOFONDO blanc et laisser sécher pendant 12 heures.

3- Appliquer une première couche d'ARABESK à coups alternés à l'aide d'un pinceau ATF, sur des surfaces qui ne dépassent pas 2 m<sup>2</sup> afin d'éviter un séchage rapide lors de l'application.

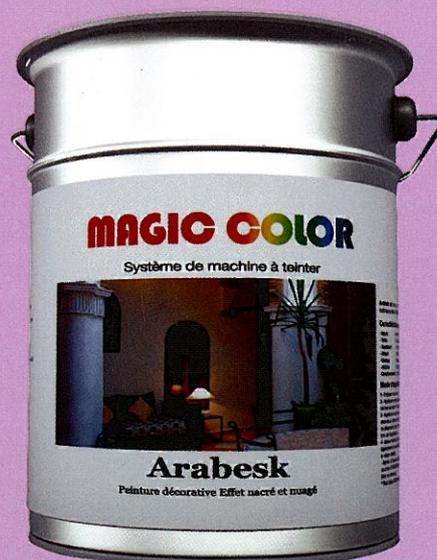

4- laisser sécher 5 à 10 min , ensuite lisser légèrement la surface avec une spatule ATF, pour obtenir le décor désiré.

- Après 12 heures, de préférence appliquer une deuxième couche d'ARABESK. et suivre les mêmes étapes 3 et 4 (Voir ci-dessus).

\* Pour plus d'information, demandez la fiche technique.
